

For iOS

Activate your subscription

Ready to start using GO Navigation?
Follow the steps below to activate
your purchased subscription.

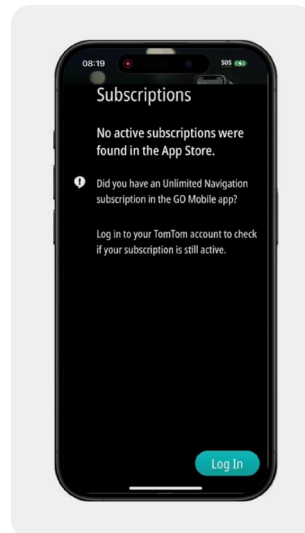

Step 1

Open the app and tap 'Existing user'

Don't tap 'Continue' — that will start a free trial.

Step 2

Enter your Apple ID password when asked.

You should now have access again.

**If you used Google or Facebook to sign up, you may need to create a password first via 'Forgot your password?'*

Step 3

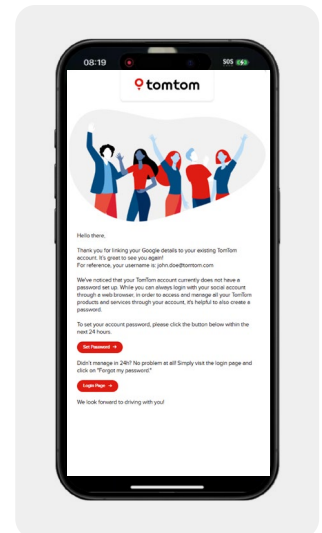

If you purchased via tomtom.com

Open the app, tap Existing user. Enter your Apple password (due to Apple security). Tap login again, enter your TomTom email and password.

**Make sure you login with the TomTom account you have made the purchase from.*

Step 4

Log in with the email you used for your purchase.

- If you're not sure, check your welcome email.
- If you signed up with Google or Facebook, you may need to set a password.
- Follow the steps in the welcome email, or tap 'Forgot your password' in the app.
